

## Course equipment discount voucher

Get **-15% OFF** all equipment and clothing (not books or maps), that isn't already discounted, from our shop. Your course specific equipment list will detail some offers specific to your course, and here we list the Alpine top sellers. To place an order, simply e-mail us a list of what you'd like to order (or request a one off online discount code), and we'll apply the discount, and post it out (FREE UK p&p for orders over £50). For orders over £200, greater client discounts can be applied.
