Course overview

- This course has 1:2 guide ratio throughout, to enable you to climb a range of classic mountaineering routes in the winter months, based in Chamonix. There is a huge range of routes to choose from, and the level of the course is aimed at climbers wanting to ascend PD+, AD and even some D grade routes.
- The course is designed to provide a good balance of climbing winter classic routes, such as Chere Couloir, the Chevalier Couloir, Arete des Cosmiques via Couloir-en-S, and also being taught skills and techniques to advance your knowledge and abilities.
- Apart from Chamonix valley you have the option of day climbs in Switzerland or Italy if the conditions are better. All the climbing is set within some of the most magnificent scenery of the Alps.
- You discuss your itinerary with your guide at the start of the week, and they develop a great program for the week, to suit your skills and aspirations. The week is highly flexible and tailored to you.

Sample itinerary

Please note that whilst the itinerary below is an ideal, the weather and conditions, as well as your skills, fitness, experience and acclimatisation all play a part too. In our decade of experience, we have found that hardly two weeks ever run the same, and even on a particular week sometimes different summit groups go on different days from different huts. Whilst the itinerary notes outline this, it is imperative that you understand how flexible this course must be.

- **Sunday** - Travel to Chamonix to arrive for the 17:00 check-in followed by and course safety and itinerary briefings. There is time for kit checks or rental of equipment. Briefings are over by 19:00 and the team accompany the group to pre-dinner drinks. Night in Chamonix.
- **Monday** - A key feature of this course is that you have 5 days of 1:2 guiding, so can climb pitched or Alpine style routes all week. The 1:2 ratio is ideal for the guide, as they can belay two people simultaneously, and it is also ideal for abseiling. An ideal first route might be the North Face of the Petite Aiguille Verte, or the Arete des Cosmiques via the Couloir-en-S gully approach. Night in Chamonix.
- **Tuesday** - Popular climbs include Aiguilles Marbrees traverse, the Aiguilles d'Entreves, or Aiguille du Floria traverse. The first two options are situated on the Franco-Italian border, and are accessed from

the Helbronner cable car. The third option is in the Aiguilles Rouges above Chamonix, which offers a wide choice of routes to climb. All of these are mixed winter climbs. Night in Chamonix

- **Wednesday** - You could tackle another of the options outlined yesterday, or other ideas that are the most popular include the Couloir Chevallier or Pepite Goulotte on the Grands Montets. Both routes are easily accessed from the cable car, and there is a short route to the start point for both routes. Chevallier is a snow gully with a steeper exit, and Pepite is a mixed line to the right. Night spent in Chamonix.
- **Thursday** - Options to consider for today include Chere Coloir or Perroux gully on the north face triangle of Mont Blanc du Tacul. These are accessed from the Aiguille du Midi cable car, and are famous classic multi-pitch routes that run parallel to each other. As you will have discovered by now, there is such an amazing choice of routes, you are spoilt for choice each day. Night in Chamonix.
- **Friday** - Today is your last day of guiding, and some options include a traverse of the Gros Rognon or Point Lachenal or climbing the Goulotte Cosmiques. Again your guide will outline the options with you, and you can decide together which style and grade of routes appeal to you most. Evening social drinks, then a celebratory meal, with the final night spent in Chamonix.
- **Saturday** – Breakfast, then accommodation check out at 10:00, then depart for home

ITINERARY NOTES: Where possible we follow itineraries. Mountain adventures are weather and conditions dependant, so occasionally we are forced to alter the plans. If this is the case, suitable alternatives are offered. Please use this outline as a guide to the types of activity that you will attempt.

Climbing skill

These are outlined on this page; <http://www.icicle-mountaineering.ltd.uk/courses.html>, and this course is;

Course level: **Intermediate**
Mountaineering: **Alpine Intro course or at least some experience**
Ice & Rock: **Use of ice axe and crampons, grade II or III.**
Fitness: **Good general fitness and stamina**

Fitness & stamina

The ideal fitness levels are detailed at; <http://www.icicle-mountaineering.ltd.uk/trainingpreparation.html>, and there are links to general training advice and planners that you can adapt to suit and follow.

This trip is graded: **Level 3** - At this level your fitness should be somewhere between running a fast paced 10km run, and half marathon fitness. Typically you'll enjoy more hill training, and so would be able to run for about an hour and a half of cross country, and enjoy big hill days out too.

How to book

- All bookings are made securely online, and deposit of £250 is payable (with secure payments handled via WorldPay). Ensure that when completing the form, you fill in all the required fields, in order for the 'SUBMIT' button to appear.
- All payments are protected by our Tour Operator travel bonding with ATOL and TTA, and your monies are held in trust until after you have travelled home. You are fully financially protected, in accordance with UK and EU laws.
- Website link: <http://www.icicle-mountaineering.ltd.uk/booking.html>

Before your trip

- As soon as you book online, you are sent confirmation of this, and attachments including joining instructions, course specific kit lists, and a separate WorldPay receipt. If you haven't received these two e-mails within half an hour of booking online, check your junk / spam folder.
- At the office, we manually check all bookings, and you'll also receive a personalised e-mail from us formally confirming your course space. Once you have this office confirmation, it's fine to go ahead and book your travel arrangements, and to arrange your activities insurance.
- Activities insurance is a requirement for all trip participants. Organise it as soon as you are booked, and ensure that it covers you for cancellation or curtailment, in case you injure yourself or get ill before your trip. This ensures you'd be fully reimbursed for the trip, and all travel costs.
- Website link: <http://www.icicle-mountaineering.ltd.uk/insurance.html>

Travel to the Alps

- The closest international airport to Chamonix, is Geneva (airport code GVA). There are many direct flights from the UK every day, and it's well served by the budget airlines e.g. EasyJet.
- Geneva is a small but busy airport, and it's only a very short walk from baggage reclaim into the arrivals area, where all the airport transfer companies meet. In the Course Information Booklet is a code for preferential rates from our reliable transfer partner Mountain Dropoffs.
- Chamonix is also very easy to travel to by rail, from the UK to Paris via Eurostar, then from Paris Gare du Lyon (or Austerlitz) to Saint Gervais by high speed TGV, then the local train up the valley to the Chamonix Aiguille du Midi (or Chamonix central) stop.

- Driving can work out cheaper, if you're with others, and there's free parking close to the accommodation, on a first come first served basis. Generally a couple of laps, and a space will be freed up for you. See the Course Information Booklet map for the locations of this free parking.
- Website link: <http://www.icicle-mountaineering.ltd.uk/travel.html>

Meeting point

- Once you've booked, you'll receive the Course Information Booklet, which details the meeting point for Chamonix course clients.
- If you want an address for your airport transfer, provide the Aiguille du Midi cable car, on Rue Lyret, 74400 Chamonix. The accommodation is situated in a pedestrianized area, so you cannot be dropped off at the door, and the cable car station, or Chamonix Sud bus station are the closest access points. If arriving on EasyBus, Ouibus, or Flixbus, these all arrive at the bus station.

Course accommodation

- Most course clients stay in Chamonix in en-suite rooms, in a purpose built ski village in Chamonix Sud. These have a small kitchenette, for those wishing to self-cater.
- Check in time is from 16:00 (4pm) on the Sunday, and the meeting point to be shown into your accommodation is detailed in your Course Information Booklet, that is sent upon booking.
- The flats are normally twin rooms for two people sharing. If you are travelling as a couple (or named friends), you will share. If travelling on your own, you will be matched with another course client of the same sex.
- This accommodation is small and basic, to provide you low cost accommodation in Chamonix, but it is functional and really well located. If you wish to upgrade to higher quality accommodation, there is a £100 discount available for sourcing your own accommodation, which is applied to your invoice.
- Website link: <http://www.icicle-mountaineering.ltd.uk/chamflat.html>

Course briefing

- The course briefing for this trip is at 17:00 on the Sunday evening. The Course Information Booklet will confirm the exact location for this briefing. When you attend the briefing, take your passport and activities insurance details, for these to be noted.
- The briefing takes about 45 minutes, and it aims to answer all your queries about the course.

- Attendance at the course briefing is obligatory, and you are asked to sign a copy of the Terms & Conditions. These are the same as those you accepted online when you booked, but it's for us to have a signed paper copy on record.

Equipment checks

- Take any equipment to the briefing that you would like one of our guiding team to advise you about. For some people that may be very little, whilst others want to double-check a few bits of kit. It's always a good idea to take your boots and crampons, so we can check the fit for you.
- If you've your own safety equipment, it's worth having one of the team check this over for you.
- Note that if you require any hire equipment, or any kit that is loaned on a course, you need to attend the course briefing, as it's straight after this that is when it is allocated.
- Website link; <http://www.icicle-mountaineering.ltd.uk/hire.html>

Late arrivals

- If they are pre-booked days ahead, we can accommodate late arrivals. We will organise for you to be able to check into your course accommodation at any time that you arrive. We do however ask you to assess how necessary a late arrival is, and for you to consider the disruption to your flatmate.
- You will require a separate Course Briefing, which involves an early start for our team, to fit this in before your guiding. It's not an ideal start to schedule a late arrival, followed by an early start, and sets you on the back foot. If an early Course Briefing is required, this is billed at £20 for time involved.

Cable cars

- For the days you are climbing in Chamonix, the most cost effective cable car pass is called the Mont Blanc multi-pass. For this course you require a 3 day pass, from Monday to Wednesday (plus extra days if you arrive earlier). The 3 day pass costs 89.50€ (*2020 prices).
- Website link: <https://www.montblancnaturalresort.com/en/montblanc-multipass>

Breakfasts

- When you are in town and accommodation is included on a B&B basis, a starter pack of continental breakfast supplies is provided; fruit juice, milk, cornflakes, muesli, marg, jam, biscuit toasts. Tea and coffee is also provided. In a mountain hut, you get a similar type of light breakfast.

- As the room is self-catering, it's yours for the week, so no need to check out when you are away in mountain huts. Should you use up any items from your breakfast or room supplies, there's a supermarket located just across the pedestrian square from the course accommodation.
- Website link: <http://www.icicle-mountaineering.ltd.uk/chamflat.html>

Lunches & drinks

- Everyone has their own idea of what they would like for lunch whilst in the mountains, varying from a stack of Mars bars to a large ham sandwich. For this reason we let you choose your own lunches, which may be easily purchased locally from shops and supermarkets.
- You will be advised in the briefings as to how many days lunches you should plan ahead and purchase. There is never time to cook hot lunches while on a course, but you could take a thermos.
- Website link: <http://www.icicle-mountaineering.ltd.uk/chamflat.html>

Evening meals

- In town clients normally take advantage of the excellent variety of local restaurants, and also the town's bars to celebrate week's achievements. We are also happy to book places in restaurants for you, should you wish an evening on your own.
- Some clients want an early night or to budget, so opt to cook for themselves in the self-catering flats. In guardianned huts, the cooked evening meal is normally three courses.
- Website link: <http://www.icicle-mountaineering.ltd.uk/chamonix.html>

Mountain huts

- Mountain Huts are run by a 'Guardian' who cooks, cleans and is on hand for your assistance. On most courses, the itineraries detail a specific number of nights in mountain huts.
- Clients share rooms, which often are on tiered bunks. Each person is allocated a mattress with its own pillow and blankets, but you should take a sleeping bag liner for comfort.
- There are normally storage / drying rooms. Meals are on a half board basis, with a basic continental breakfast and a three course cooked evening meal. Any extras you order, such as bottled water, beer or wine, packed lunch, or chocolate, must be paid for by you.
