Course overview

- **Summit:** Mont Blanc 4810m is the highest summit in Western Europe. To get to the 'roof of Europe', we normally ascend via the classic Gouter route, or by the Gonella route from the Italian Val Veny (early season). The week starts with a 2 day acclimatisation and training ascent of Gran Paradiso 4061m.
- **USP:** Our primary focus is on getting you to the summit, no faffing, no discussion, no fuss. If you train hard, are focused, and the weather plays ball, we'll get you up there. If you want us to wave a magic wand, and not put in the training, this isn't the mountain for you! We're doers, not dreamers.
- **Skills:** You need excellent fitness, stamina and determination. Following the glacial evolution during the heatwaves of 2022, sections (e.g. Bosses Arete) are more technical, so a minimum of 2 days crampon experience is now a pre-requisite, and ideally a 4000m Alpine peak / altitude experience. Great balance, combined with the ability to move quickly and efficiently over broken mountain terrain, is essential. You should be confident on steep ridges. You are taught any necessary ropework and skills during the week.
- **Acclimatisation:** Our itinerary includes an ascent of Gran Paradiso 4061m, at the start of the week. This helps you to acclimatise and develop skills, and the night is spent half board in a mountain hut at altitude. You are then ideally prepared for your main ascent of Mont Blanc, climbed over two days, with your second mountain hut night spent on Mont Blanc. By acclimatising early you provide more summit flexibility.
- **Briefings:** A principal feature of this course are the route / weather briefings and kit checks for your main ascents. The principle sessions are the welcome briefing on Sunday, a Gran Paradiso briefing and kit checks on Monday before you set off, and a Mont Blanc briefing before your ascent.
- **Weather:** We can't book the weather, but we do guarantee to do our best to maximise your summit chances by tailoring the course to you, the individual. There's no reliable way of predicting weather on a particular week, but we only offer ascents in the key season where the weather is typically stable anti-cyclonic pattern, not pushing into the early or late season where weather can be more unsettled with fresh snowfalls.
- **Fitness:** An ascent of Mont Blanc should not be underestimated, and you should arrive for this course in good physical condition as the climb will probably be the greatest physical exertion of your life. Please don't ignore this issue. You should be at least half marathon fitness, in a respectable time. It's even better if you are marathon fit! We highly recommend that you read our training pages.

Sample itinerary

- **Sunday** - Travel to Chamonix to arrive for the 17:00 check-in followed by and course safety and itinerary briefings. There is time for kit checks or rental of equipment. Briefings are over by 19:00 and then you are free to go out for dinner / drinks. Many clients opt to travel out a day or two early to do an acclimatisation weekend course to provide an extra night of accommodation, and to ascend a 3000m peak. Night in Chamonix.
- **Monday** - After breakfast you meet our resort team, and guide, for a weather briefing and final kit checks for Gran Paradiso. You are driven by minibus (core season) through the Mont Blanc tunnel to Val Savaranches in Italy, then ascend to the Rifugio Vittorio Emanuele II or Chabod mountain hut, where you spend the night on a half board basis. Guiding ratio 1:3 (max in hut), or 1:6 (max) for approach. Night in mountain hut in Italy.
- **Tuesday** - Alpine start (c.4 am) to climb Gran Paradiso 4061, the highest peak completely in Italy. There are 4 possible normal routes to the summit, to cater for conditions / experience, all of which converge on the Col Montcorve. The route steepens to the final summit ridge, which although short is quite exposed, but well protected. The summit views are stupendous in all directions! Descend to Pont for return transfer to Chamonix. Night in Chamonix.
- **Wednesday** - This day is flexible to allow you to normally climb another acclimatisation route to a summit, or to start your ascent of Mont Blanc if weather or hut spaces dictate. Typical routes for the day include Cosmiques Arete, Aiguilles Marbrees, Pointe Lachenal or Aiguille du Toule. Return to Chamonix to prepare for Mont Blanc. Guiding ratio 1:2 (max). Evening briefing session / meeting with course hosts: [click for info](#). Night in Chamonix.
- **Thursday** - Equipment and bag checks before you set off to climb up to one of the high huts, either the Gouter / Tête Rousse / Gonella mountain hut for the night. Guiding ratio 1:2 (max). The choice of route that you take on Mont Blanc, and which hut(s) you stay in is a function of the weather, conditions, and your skills and fitness. Often different teams suit different plans to maximise their summit chances. Night in hut on Mont Blanc.
- **Friday** - Summit Mont Blanc 4810m from an Alpine start from the high hut, and descend to Chamonix. It is usual to reach the summit just after sunrise, to take advantage of the best snow conditions, lowest winds, and to minimise the risks of stonefall or afternoon storms on the descent. You typically reach the valley in the afternoon. Guiding ratio 1:2 (max). Most teams opt to meet up to go out for drinks and a celebratory meal. Final night in Chamonix.

How to book

- All bookings are made securely online, and deposit of £250 is payable (with secure payments handled via our travel bonding by SinGS / Felloh). Ensure that when completing the form, you fill in all the required fields, in order for the 'SUBMIT' button to appear.
- All payments are protected by our Tour Operator travel bonding with ATOL and TTA, and your monies are held in trust until after you have travelled home. You are fully financially protected, in accordance with UK and EU laws.

Before your trip

- As soon as you book online, you are sent confirmation of this, and attachments including joining instructions, course specific kit lists. If you haven't received this e-mail within half an hour of booking online, please check your junk / spam folder.
- At the office, we manually check all bookings, and you'll also receive a personalised e-mail from us formally confirming your course space, and sending you a deposit payment link. Once you have this office confirmation and paid the deposit, it's fine to go ahead and book your travel arrangements, and to arrange your activities insurance.
- Activities insurance is a requirement for all trip participants. Organise it as soon as you are booked, and ensure that it covers you for cancellation or curtailment, in case you injure yourself or get ill before your trip. This ensures you'd be fully reimbursed for the trip, and all travel costs.
- Website link: <http://www.icicle-mountaineering.ltd.uk/insurance.html>

Travel to the Alps

- The closest international airport to Chamonix, is Geneva (airport code GVA). There are many direct flights from the UK every day, and it's well served by the budget airlines e.g. EasyJet.
- Geneva is a small but busy airport, and it's only a very short walk from baggage reclaim into the arrivals area, where all the airport transfer companies meet. In the Course Information Booklet is a code for preferential rates from our reliable transfer partner Mountain Dropoffs.
- Chamonix is also very easy to travel to by rail, from the UK to Paris via Eurostar, then from Paris Gare du Lyon (or Austerlitz) to Saint Gervais by high speed TGV, then the local train up the valley to the Chamonix Aiguille du Midi (or Chamonix central) stop.

- Driving can work out cheaper, if you're with others, and there's free parking close to the accommodation, on a first come first served basis. Generally a couple of laps, and a space will be freed up for you. See the Course Information Booklet map for the locations of this free parking.
- Website link: <http://www.icicle-mountaineering.ltd.uk/travel.html>

Meeting point

- Once you've booked, you'll receive the Course Information Booklet, which details the meeting point for Chamonix course clients.
- If you want an address for your airport transfer, provide the Aiguille du Midi cable car, on Rue Lyret, 74400 Chamonix. The accommodation is situated in a pedestrianized area, so you cannot be dropped off at the door, and the cable car station, or Chamonix Sud bus station are the closest access points. If arriving on EasyBus, Ouibus, or Flixbus, these all arrive at the bus station.

Course accommodation

- Most course clients stay in Chamonix in en-suite rooms, in a purpose built ski village in Chamonix Sud. These have a small kitchenette, for those wishing to self-cater.
- Check in time is from 16:00 (4pm) on the Sunday, and the meeting point to be shown into your accommodation is detailed in your Course Information Booklet, that is sent upon booking.
- The flats are normally twin rooms for two people sharing. If you are travelling as a couple (or named friends), you will share. If travelling on your own, you will be matched with another course client of the same sex.
- This accommodation is small and basic, to provide you low cost accommodation in Chamonix, but it is functional and really well located. If you wish to upgrade to higher quality accommodation, there is a £100 discount available for sourcing your own accommodation, which is applied to your invoice.
- Website link: <http://www.icicle-mountaineering.ltd.uk/chamflat.html>

Course briefing

- The course briefing for this trip is at 17:00 on the Sunday evening. The Course Information Booklet will confirm the exact location for this briefing. When you attend the briefing, take your passport and activities insurance details, for these to be noted.
- The briefing takes about 45 minutes, and it aims to answer all your queries about the course.

- Attendance at the course briefing is obligatory, and you are asked to sign a copy of the Terms & Conditions. These are the same as those you accepted online when you booked, but it's for us to have a signed paper copy on record, as well as noting your passport & insurance details.

Equipment checks

- Take any equipment to the briefing that you would like one of our guiding team to advise you about. For some people that may be very little, whilst others want to double-check a few bits of kit. It's always a good idea to take your boots and crampons, so we can check the fit for you.
- If you've your own safety equipment, it's worth having one of the team check this over for you.
- Note that if you require any hire equipment, or any kit that is loaned on a course, you need to attend the course briefing, as it's straight after this that is when it is allocated.
- Website link: <http://www.icicle-mountaineering.ltd.uk/hire.html>

Late arrivals

- If they are pre-booked days ahead, we can accommodate late arrivals. We will organise for you to be able to check into your course accommodation at any time that you arrive. We do however ask you to assess how necessary a late arrival is, and for you to consider the disruption to your flatmate.
- You will require a separate Course Briefing, which involves an early start for our team, to fit this in before your guiding. It's not an ideal start to schedule a late arrival, followed by an early start, and sets you on the back foot. Please select suitable flight times to fit the advertised course timings.

Cable cars

- For the days you are climbing in Chamonix, the most cost effective cable car pass is called the Mont Blanc multi-pass. For this course you require a 5 day pass, from Monday to Friday (plus extra days if you arrive earlier). The 5 day pass costs 120.70€ (*2022 online prices).
- Website link: <https://www.montblancnaturalresort.com/en/montblanc-multipass>

Breakfasts

- When you are in town and accommodation is included on a self-catering basis. There are a great range of cafes, bakeries, and coffee shops in town, where you can get breakfast, and there are a few offering cooked breakfasts too. Alternatively you can self-cater in your accommodation.

- As the room is self-catering, it's yours for the week, so no need to check out when you are away in mountain huts. For shopping for supplies, there are many supermarkets both close to the course accommodation, in the town centre, and a larger Carrefour on the edge of town.
- Website link: <http://www.icicle-mountaineering.ltd.uk/chamflat.html>

Lunches & drinks

- Everyone has their own idea of what they would like for lunch whilst in the mountains, varying from a stack of Mars bars to a large ham sandwich. For this reason we let you choose your own lunches, which may be easily purchased locally from shops and supermarkets.
- You will be advised in the briefings as to how many days lunches you should plan ahead and purchase. There is never time to cook hot lunches while on a course, but you could take a thermos.
- Website link: <http://www.icicle-mountaineering.ltd.uk/chamflat.html>

Evening meals

- In town clients normally take advantage of the excellent variety of local restaurants, and also the town's bars to celebrate week's achievements. We are always happy to help advise you on which restaurants to consider, on any evening of your course.
- Some clients want an early night or to budget, so opt to cook for themselves in the self-catering flats. In guarded huts, the cooked evening meal is normally three courses.
- Website link: <http://www.icicle-mountaineering.ltd.uk/chamonix.html>

Mountain huts

- Mountain Huts are run by a 'Guardian' who cooks, cleans and is on hand for your assistance. On most courses, the itineraries detail a specific number of nights in mountain huts.
- Clients share rooms, which often are on tiered bunks. Each person is allocated a mattress with its own pillow and blankets, but you should take a sleeping bag liner for comfort.
- There are normally storage / drying rooms. Meals are on a half board basis, with a basic continental breakfast and a three course cooked evening meal. Any extras you order, such as bottled water, beer or wine, packed lunch, or chocolate, must be paid for by you.
